Do you need help recruiting participants for an MS research study or clinical trial?

The Greater Northwest Chapter may be able to assist PhD and/or MD-level researchers recruit people with MS and/or family members for appropriate Institutional Review Board (IRB)-approved research/clinical trial studies. Clinical trials and studies are listed on our website at http://www.nationalmssociety.org/chapters/was/programs--services/get-answers-and-education/clinical-trials/index.aspx.

If you are the principal investigator (PI) and would like the Chapter's assistance to recruit participants for your MS research, please submit a request to the Chapter along with the following information:

1. Title of trial/study
2. Name and academic credentials of PI
3. Location of trial/study
4. Recruitment period (start and end dates)
5. Recruitment (who is being recruited); please include type of MS studied (**A**=acute attack; **RR**=relapsing-remitting; **PP**=primary progressive; **SP**=secondary progressive; **PR**=progressive relapsing; **P**=all progressive)
6. Description of study/trial (25-100 words), including purpose and methodology of study
7. Contact information
8. Sponsor and/or funding
9. Copy of Institutional Review Board (IRB) approval letter

Requests may take up to two weeks for review. Once approved, research recruitment will be posted at the Greater Northwest Chapter's website at http://www.nationalmssociety.org/chapters/was/programs--services/get-answers-and-education/clinical-trials/index.aspx. The Chapter reserves the right to decline participation in the recruitment process for any research study for any reason.

If you are interested in recruitment of participants for market research studies or in listing your study/trial on the national website, please contact us for additional forms required for posting.

Please be sure to let us know when the trial closes so that we can remove this information from our website.
