The US Office of Personnel Management (OPM) this week launched a free, user-friendly USAJobs application for Iphone and Ipads. The USAJOBS iPhone application puts the power of searching for a Federal job at your fingertips. This application is a companion to USAJOBS.gov, the official US Government employment website and your one-stop source for Federal jobs and employment information.

Features:
- **Search for jobs, save jobs and save your searches**
- **Notifications will give you a heads up if your application status has changed, if there are new matching jobs and more...**
- **Share job openings via email and on social networks**
- **Activate your resume to make it searchable**
- **View your application status**
- **Check out the latest Featured Opportunities, Job in Demand, Videos and more.**
