HOW TO ORDER NATIONAL MULTIPLE SCLEROSIS SOCIETY CUSTOM LICENSE PLATES

A National Multiple Sclerosis Society custom license plate from the New York State Department of Motor Vehicles is available to motorists statewide who wish to contribute to the effort to fight MS. The $25 annual renewal fee goes to the "New York State Multiple Sclerosis Research Fund" to help support research at the two New York State MS Pediatric Centers for Excellence.

The MS plate is available in both passenger and commercial class. It can be ordered online at http://dmv.ny.gov/cplates.htm; by calling the DMV Custom Plates Unit at (518) 402-4838, Monday through Friday between 8 a.m. and 4:00 p.m.; or by visiting any local DMV office.

Those who have the previous version of the MS plate can upgrade to the latest design for $28.75. First-time registrants can purchase the MS plate with a standard plate number assigned by DMV for an initial fee of $53.75. The annual fee of $25 is in addition to the standard registration renewal fee. The plate can also be personalized with a number between two and six characters long, including spaces, for an initial fee of $85. The annual renewal fee for a personalized MS plate is $56.25.

In addition to being available for passenger class vehicles, the MS plate is also available with the International Symbol of Access (ISA) on it for any registrant with a disability who qualifies for such a plate. Any individual qualifying for an ISA must contact the Custom Plates Unit at (518) 402-4838 before submitting his/her application.
