

For more information on
the Golden Circle, talk to your
chapter president, or e-mail
pae@nmss.org

Thanks for all you've done to
create a world free of MS.

THE NATIONAL MS SOCIETY

invites
YOU TO

golden
CIRCLE

A special place for people
with a special commitment
to a world free of MS.

Your generosity
will register with
the MS community
in many ways:

Your gift will allow hundreds of scientists currently working on potential MS therapies to complete their investigations – and give hope to others awaiting funding that their proposals, too, will soon move forward.

Your gift can introduce families here in the Greater Delaware Valley to resources that will get them through financial and medical rough patches.

Your gift can encourage MS activists to demand better accommodations and more funding from public agencies.

“ Many valuable MS research projects that have been developed and approved by the Society are still awaiting funding – we give to the National MS Society to help realize their full potential. ”

~ PAMELA AND BRIAN DIDONATO

ON BEHALF OF EVERYBODY
AFFECTED BY MULTIPLE
SCLEROSIS, THE NATIONAL MS
SOCIETY ACKNOWLEDGES OUR
DONORS' SUPPORT BY INVITING
THEM TO THE GOLDEN CIRCLE
– A SELECT GROUP OF PATRONS
WHO HAVE TRULY MADE THEIR
MARK BY MAKING AN ANNUAL
GIFT OF \$1,000 OR MORE.

Members of the Golden Circle have special access to leadership at the chapter and national organizations. We'll invite you to events and conference calls meant to update you on progress in MS research and the many other ways the Society helps people with MS to live powerfully. The most exciting benefit of membership, of course, is the opportunity to connect with other Golden Circle members – people who share your passion for a world free of MS.
