RESEARCH BREAKTHROUGHS
Research breakthroughs fuel the treatments and solutions that will stop the disease in its tracks, restore what has been lost, and end MS forever

LIFE-CHANGING BREAKTHROUGHS
Life-changing breakthroughs remove barriers to healthcare and optimal wellness and provide support to navigate the everyday challenges of MS

Together we will raise $1 billion

TOGETHER WE WILL BREAKTHROUGH MS

WOW – Did you know?

• MS is an unpredictable, immune-based disease that attacks the brain and spinal cord; symptoms vary from numbness and fatigue to paralysis

• MS strikes in the prime of life when people are most active in work and family; the leading neurological cause of disability in young adults

• The Society is the largest private funder of MS research in the world and provides 24/7 resources and support for people affected by MS

HOW – The National MS Society

• Bring together the world’s best and brightest researchers to find solutions to MS

• Help people get the comprehensive care they need and access to life-changing treatments

• A team of experts is available to support each individual in navigating the challenges of MS

NOW – Breakthrough MS

• Join me at an upcoming Golden Circle event, clinic tour, dinner, etc.

• Join my Bike MS®, Walk MS® or MuckFest MS® team

• Join me and a fellow volunteer, president, staff leader, etc. for coffee
