

WE INVITE YOU

to join us for quarterly web-based meetings to discuss real case challenges and treatment approaches in rehabilitation for people with Multiple Sclerosis.

These one hour web-based meetings offer a live forum for rehabilitation professionals to discuss approaches and solutions to challenging cases. MS rehabilitation therapists will present cases and also review new research findings and current trends in rehab and MS. Who should participate? PTs, OTs, SLPs and others who want to maximize the impact of their work with people with MS.

Calls are scheduled quarterly and will be recorded.
