Happy the App
The National MS Society also has a collaboration with Happy the App to ensure that people living with MS get the emotional support they need. Happy the App is a 24/7 phone-based service provided through a mobile phone app that connects individuals experiencing everyday stresses, life struggles or feeling lonely with compassionate listeners.
Happy the App: National MS Society

Find Doctors & Resources:
This tool on our website allows you to search specifically for Mental Health Professionals
Find Doctors and Resources: National MS Society

Facebook Group: National Multiple Sclerosis Society Community
This private Facebook group gives individuals affected by MS an opportunity to connect digitally. The group allows members to participate in self-paced learning units in a social media community.
