Successful completion of this activity requires that participants: register for the activity; review the required CE information included in this handout; attend the program; and complete the evaluation form.
To complete the program evaluation visit:

Faculty

Natasha Antonovich, Pharm.D., BCPS is a clinical pharmacy specialist at the Orlando VA Medical Center. Dr. Natasha Antonovich received her BS in Biology and Doctor of Pharmacy Degree from Nova Southeastern University. She completed her ASHP accredited PGY1 Pharmacy Residency at the Orlando VA Medical Center. After completing her residency, Dr. Antonovich continued her career at the Orlando VA Medical Center and her practice experiences include inpatient care, ambulatory care (PACT), and anticoagulation.

Presently, she is the clinical pharmacy specialist for the specialty care clinics which include neurology, sleep, dermatology, ENT, and rheumatology. She is a member of multiple professional organizations, a Board-Certified Pharmacotherapy Specialist, and has completed courses in neuroscience from Duke University.

Target Audience

This activity has been designed to meet the educational needs of physicians, advanced practice clinicians, nursing professionals, pharmacists, and other members of the healthcare team who manage patients with MS.

Learning Objectives

Upon completion of this activity, participants should be better able to:

- Evaluate new evidence for starting, switching and stopping disease modifying therapy (DMT)
- Access new information on disease modifying therapies in order to appropriately initiate and sustain the most appropriate treatment for each patient

Disclosure of Financial Relationships

In accordance with the ACCME Standards for Commercial Support, CMSC, NMSS, and VAMScOE require that individuals in a position to control the content of an educational activity disclose all relevant financial relationships with any commercial interest. CMSC, NMSS, and VAMScOE resolve all conflicts of interest to ensure independence, objectivity, balance, and scientific rigor in all their educational programs. Furthermore, CMSC, NMSS, and VAMScOE seek to verify that all scientific research referred to, reported, or used in a CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis. CMSC, NMSS, and VAMScOE are committed to providing learners with high-quality CE activities that promote improvements in health care and not those of a commercial interest.
Faculty Disclosures
Natasha Antonovich, Pharm.D., BCPS has disclosed no relevant financial relationships.

Staff Disclosures
The planners, reviewers, editors, staff, or other members at CMSC, NMSS, and VAMSCoE who control content have declared that they have no relevant financial relationships.

Disclosure of Unlabeled Use
CMSC, NMSS, and VAMSCoE require faculty to disclose to the attendees when products or procedures being discussed are off-label, unlabeled, experimental, and/or investigational (not FDA approved); and any limitations on the information that is presented, such as data that are preliminary or that represent ongoing research, interim analyses, and/or unsupported opinion. Faculty in this activity may discuss information about pharmaceutical agents that is outside of US Food and Drug Administration approved labeling. This information is intended solely for continuing education and is not intended to promote off-label use of these medications. If you have questions, contact the medical affairs department of the manufacturer for the most recent prescribing information.

Disclaimer
CMSC, NMSS, and VAMSCoE present this information for educational purposes only. The content is provided solely by faculty who have been selected because of recognized expertise in their field. Participants have the professional responsibility to ensure that products are prescribed and used appropriately on the basis of their own clinical judgment and accepted standards of care. CMSC, NMSS, and VAMSCoE assume no liability for the information herein.

Accreditation and Credit Designation
In support of improving patient care, this activity has been planned and implemented by the Consortium of Multiple Sclerosis Centers (CMSC), the National Multiple Sclerosis Society (NMSS), and the VA MS Centers of Excellence (VAMSCoE). CMSC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

| PHYSICIANS | The CMSC designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. |
| NURSES | The CMSC designates this activity for 1.0 contact hours (1.0 in the area of pharmacology) of continuing education for nurses. |
| PHARMACISTS | The CMSC is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education and will award 1 contact hour (1 CEU) to pharmacists who complete the activity and complete the evaluation form. The Universal Activity Number (UAN) for this activity is [insert appropriate UAN]. This is a knowledge-based activity. CE providers must upload participant information within 60 days from the date the participant completed the live activity. To ensure credit fulfillment, pharmacists must submit the evaluation and credit request NO LATER THAN JANUARY 20, 2020. Credit requests made more than 60 days after the activity WILL BE REJECTED by CPE Monitor. For information about CPE Monitor, visit https://nabp.pharmacy/cpe-monitor-service/ |
| PAS | The CMSC has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 1.0 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation. |

All other healthcare professionals completing this program will be issued a certificate of participation.

If you have any questions about this activity, please contact the National MS Society at healthprof_info@nmss.org
