## INDEPENDENT AUDITORS' REPORT

To the Board of Trustees  
National Multiple Sclerosis Society,  
Northern California Chapter

We have audited the accompanying statements of financial position of National Multiple Sclerosis Society, Northern California Chapter (the Chapter) as of September 30, 2010 and 2009, and the related statements of activities, functional expenses and cash flows for the years then ended. These financial statements are the responsibility of the management of the Chapter. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Chapter as of September 30, 2010 and 2009 and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

**NOTES TO FINANCIAL STATEMENTS  
September 30, 2010 and 2009**

**NOTE 1 - ORGANIZATION**

Multiple Sclerosis (MS) is an unpredictable, often disabling disease of the central nervous system, for which there is no cure. Symptoms range from abnormal fatigue and impaired vision, to cognitive impairment, loss of balance and/or muscle coordination, to partial or complete paralysis. The progress, severity, and specific symptoms of MS in any one person cannot yet be predicted. Twice as many women as men live with MS, which affects more than 400,000 people in the U.S., and 2.5 million worldwide.

The National Multiple Sclerosis Society is dedicated to achieving *a world free of Multiple Sclerosis*. We mobilize people and resources to address the challenges of people affected by MS and drive research to find the cause and cure for MS. Our fifty-state network of chapters helps each person address the daily challenges of living with MS. The Society funds more MS research, provides more services, and furthers more advocacy efforts than any other MS organization in the world.

The Northern California Chapter supports research efforts and delivers vital programs at minimal or no cost to more than 20,000 individuals living with MS and 120,000 family members and friends in our forty-county region in Northern California. We are committed to honoring and supporting the independence and self-sufficiency of people with MS by providing accurate and timely information, advocacy, material assistance, and emotional support.

Headquartered in San Francisco, with regional centers in Sacramento, Santa Clara and Modesto, the National Multiple Sclerosis Society, Northern California Chapter (the Chapter) has been an independently chartered organization since 1954 serving a forty county territory reaching from the Monterey Bay in the south to the Oregon border and from the Pacific to Nevada with the exclusion of Lassen and Plumas Counties.

In August 2008, the Chapter completed the move of its headquarters office from Oakland to the Alexandria Center for Science and Technology at Mission Bay in San Francisco. This new development is the future home of the University of California, San Francisco (UCSF) Research and Hospital campuses, including its MS Care Center, Children's Hospital, and Pediatric MS Center of Excellence. In addition to UCSF, the Mission Bay community also includes other prestigious research institutions and biomedical research companies such as the California Institute for Quantitative Biomedical Research and the J. David Gladstone Institutes. The Society currently has invested more than \$12 million in research projects addressing immunology, genetics, disease activity, and clinical trials. This relocation has placed the Chapter proximate to MS care services, as well as research investigations that impact the search for cause, cure and treatments for MS.

The Chapter provides programs and services at minimal or no cost to the MS community. These programs and services address a continuum of needs from expanding basic knowledge about the disease, to providing wellness, empowerment, support and long term care, including:

**NOTE 1 - ORGANIZATION** (continued)

- Information and referral services that identify local community resources;
- Educational workshops facilitating knowledge of MS, research and treatments, symptom management, and helping individuals cope with their new diagnosis;
- Chapter lending library of books, brochures (in English and Spanish language), videos, and DVDs on MS-related topics;
- Self-help groups and peer support services that improve coping skills and self-esteem;
- Wellness programs including outdoor adventures and adaptive therapeutic exercise programs that enhance functioning and mobility such as yoga, tai chi, Feldenkrais, and aquatics;
- Independent living services such as employment consultations and free case management to coordinate needed resources;
- Financial assistance funds to subsidize emergency needs, durable medical equipment, or respite care;
- Family programs including caregiver workshops and family fun days;
- Scholarship programs providing financial assistance to MS families with a student attending college; and
- Social activities, events and parties.

These vital programs and services address the needs of people affected by MS, wherever they are on this continuum, at a given time. The Chapter assists and empowers those with MS to enhance their own quality of life, pursue meaningful activities, and participate in society and family life.

More than 2,000 volunteers assist the Chapter; some serve in a leadership capacity as Board Trustees, MS Ambassadors, and as advocates, others serve on committees to support our annual events, including WALK MS and BIKE MS and volunteers take lead roles in our programs and services delivery. Additionally, volunteers help with office and administrative duties as well as Chapter programs, Self-Help Group leaders, peer supporters, advocacy, case management, and information and referral volunteers.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**(a) BASIS OF ACCOUNTING**

The accompanying financial statements have been prepared on the accrual basis of accounting.

**(b) ACCOUNTING**

To ensure observance of certain constraints and restrictions placed on the use of resources, the accounts of the Chapter are maintained in accordance with the principles of net assets accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into net asset classes that are in accordance with specified activities or objectives. Accordingly, all financial transactions have been recorded and reported by net asset class as follows:

**NATIONAL MULTIPLE SCLEROSIS SOCIETY,  
NORTHERN CALIFORNIA CHAPTER**

**NOTES TO FINANCIAL STATEMENTS  
September 30, 2010 and 2009**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (continued)

**(b) ACCOUNTING** (continued)

- **Unrestricted Net Assets** - These generally result from revenues generated by receiving unrestricted contributions, providing services, and receiving income from investments less expenses incurred in providing program related services, raising contributions, and performing administrative functions.
- **Temporarily Restricted Net Assets** - Temporarily restricted net assets are comprised of funds which are restricted by donors for specific purposes. The restrictions are satisfied either by the passage of time or by actions of the Chapter. The Chapter had \$70,443 and \$405,565 of temporarily restricted net assets at September 30, 2010 and 2009, respectively.
- **Permanently Restricted Net Assets** - These net assets are received from donors who stipulate that resources are to be maintained permanently, but permit the Chapter to expend all of the income (or other economic benefits) derived from the donated assets. The Chapter has no permanently restricted net assets at September 30, 2010 and 2009.

**(c) CASH AND CASH EQUIVALENTS**

Cash and cash equivalents are short-term, highly liquid investments with maturities of three months or less at the time of purchase. The carrying value of cash and cash equivalents at September 30, 2010 and 2009 approximates its fair value.

The Chapter maintains its cash and cash equivalents in bank deposit accounts and other investment accounts, which, at times, may exceed federally insured limits. The Chapter has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

**(d) CONTRIBUTIONS AND PLEDGES RECEIVABLE**

Contributions are considered to be unrestricted unless specifically restricted by the donor. Contributions are recorded as revenue when received or promised (pledged) unconditionally, at their fair value. Gifts received with donor stipulations that limit the use of the donated assets are reported as temporarily restricted support. When a donor restriction expires, that is, when a time restriction ends or purpose restriction is fulfilled, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Conditional contributions are recognized as revenue when the conditions on which they depend have been substantially met. It is the Chapter's policy to record temporarily restricted contributions received and expended in the same accounting period in the unrestricted net asset class. As of September 30, 2010 and 2009, the Chapter evaluated the collectibility of contributions and pledges receivable and no allowance for uncollectible contribution and pledges receivable was considered necessary.

NORTHERN CALIFORNIA CHAPTER**

September 30, 2010 and 2009**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (continued)

**(e) PROPERTY AND EQUIPMENT**

Property and equipment are recorded at cost if purchased or at fair value at the date of donation if donated. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the related assets.

Expenditures for maintenance and repairs are charged to operations as incurred while renewals and betterments are capitalized. Property and equipment are capitalized if the cost of an asset is equal to or greater than \$500 and the useful life is greater than one year. The useful lives are as follows:

Furniture and Equipment	3 - 10 Years
Leasehold Improvements	Lesser of Estimated Useful Life or the Term of the Lease

**(f) LONG-LIVED ASSETS**

The Chapter reviews the carrying values of its long-lived assets for possible impairment whenever events or changes in circumstances indicate that the book value of the assets may not be recoverable. An impairment loss is recognized when the sum of the undiscounted future cash flows is less than the carrying amount of the asset in which case a write-down is recorded to reduce the related asset to its estimated fair value. No impairment losses were recognized during the years ended September 30, 2010 and 2009.

**(g) RELATIONSHIP WITH NATIONAL MULTIPLE SCLEROSIS SOCIETY**

The Chapter is required to remit 40% of all unrestricted contributions, net of allowances, 50% of all unrestricted legacies, and 100% of research restricted contributions to the National Multiple Sclerosis Society (National Headquarters). The total amount of contributions and legacies due to National Headquarters amounted to \$1,163,733 and \$762,852 at September 30, 2010 and 2009, respectively.

The Chapter participates in National Headquarters' direct marketing program. Unrestricted public support received under the program by National Headquarters that is attributable to Chapter sources is credited to and recorded by the Chapter at 40% of such unrestricted public support, net of 60% retained by National Headquarters. These amounts are recorded as contributions received indirectly from National Headquarters in the accompanying statement of activities.

Multi-year contributions that are restricted for research, if any, are remitted to National Headquarters and reflected as expenses as the respective payments are received from donors.

**NATIONAL MULTIPLE SCLEROSIS SOCIETY,  
NORTHERN CALIFORNIA CHAPTER**

**NOTES TO FINANCIAL STATEMENTS  
September 30, 2010 and 2009**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (continued)

**(h) CONTRIBUTED GOODS AND SERVICES**

The Chapter records revenue and a corresponding expense for donated services, donated goods and donated facilities. The revenues and expenses for the years ended September 30, 2010 and 2009 are reflected at fair value. Donated goods for the fiscal years ended September 30, 2010 and 2009 totaled \$56,125 and \$50,685, respectively.

In addition, a number of volunteers have donated significant amounts of their time to the Chapter's program services and supporting services. No amounts have been reflected in the accompanying financial statements for those donated services because they do not meet the criteria for revenue recognition under accounting standards.

**(i) LEGACIES AND BEQUESTS**

The Chapter recognizes legacies and bequests when the donors' wills have been declared valid by the probate court and/or the value of the amounts to be received is determinable.

**(j) INCOME TAXES**

The Chapter is exempt from taxation under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d.

**(k) FUNCTIONAL ALLOCATION OF EXPENSES**

Expenses that can be specially identified with a specific program or supporting service are charged directly to the related program or supporting service. Fundraising expenses providing a direct benefit to donors (for example, meals and facility rental) are separately identified. Expenses that are associated with more than one program or supporting service are allocated based on salaries dollars.

**(l) USE OF ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets, liabilities, revenues and expenses as of the date and for the period presented. Accordingly, actual results could differ from those estimates.

**NATIONAL MULTIPLE SCLEROSIS SOCIETY,  
NORTHERN CALIFORNIA CHAPTER**

**NOTES TO FINANCIAL STATEMENTS  
September 30, 2010 and 2009**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (continued)

**(m) FASB ACCOUNTING STANDARDS CODIFICATION**

In June 2009, the Financial Accounting Standards Board (FASB) issued the FASB Accounting Standards Codification (the ASC). The ASC has become the single source of non-governmental accounting principles generally accepted in the United States (GAAP) recognized by the FASB in preparation of financial statements. The Chapter adopted the ASC as of September 30, 2010. The ASC does not change GAAP and did not have an effect on the Chapter's financial position, results of operations or cash flows.

**(n) SUBSEQUENT EVENTS**

The Chapter has evaluated events and transactions occurring subsequent to the statement of financial position date of September 30, 2010 for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through December 13, 2010, the date these financial statements were available to be issued. No such material events or transactions were noted to have occurred, except for those identified in Note 3.

**NOTE 3 - CONTRIBUTIONS AND PLEDGES RECEIVABLE**

Due in One to Five Years	55,000	25,000
<b><i>CONTRIBUTIONS AND PLEDGES RECEIVABLE</i></b>	<b>\$ 251,253</b>	<b>\$ 204,505</b>

In December 2007, the Chapter was named as an income beneficiary of a foundation. The foundation is currently making monthly distributions to five organizations of the income earned in the foundation. The foundation has variance power over the distributions. The Chapter is recognizing income as received due to this variance power. During the years ended September 30, 2010 and 2009, the Chapter received \$480,797 and \$325,075, respectively, from the foundation.

In November 2010, the Chapter has been named a beneficiary in a bequest. The Chapter received \$75,000 representing the final distribution from the bequest.
