
MULTIPLE SCLEROSIS interrupts the flow of information between the brain and the body, and stops people from moving. With the help of people like you, the National MS Society Ohio Valley Chapter addresses the challenges of each person whose life is affected by MS and helps them stay connected to the great big moving world.

MS stops people from moving. We exist to make sure it doesn’t.

**MS NAVIGATOR®**
Finding answers and making decisions relies on having the right information at the right time. MS Navigator® provides answers to your questions and access to information about all of the options available to you.

**SUPPORT & INDEPENDENCE SERVICES**
Multiple sclerosis creates a range of challenges that can result in short-term financial crises, difficulty obtaining critical equipment and home or auto modifications, and diminished capacity to pay for MS-generated needs. The National MS Society’s Financial Assistance Program offers guidance, leverage and resources to help contain the financial impact of MS.

**PROGRAMS IN YOUR COMMUNITY**
The chapter offers a variety of community based programs to facilitate education, recreation, physical and emotional wellness, connection with others with MS, and family communication. These programs vary based on time of year and by community, so please check our calendar frequently for new offerings.

**LIFE WITH MS GROUPS**
Groups led by trained peer leaders meet monthly throughout the chapter territory to discuss educational information and to encourage positive social interaction. The chapter facilitates sponsored groups for clients in a variety of life situations, as well as for caregivers.

**NEWLY DIAGNOSED SUPPORT**
If you or someone close to you has recently been given a diagnosis of multiple sclerosis, you probably have a lot of questions and concerns. Or, you may be feeling so overwhelmed by the diagnosis that you aren’t sure what kinds of questions to ask. The National MS Society has developed programs to give you the information and support you need to live comfortably and confidently with this change in your life, and offers a Life with MS Group tailored to your needs.
