LISA HORNE

One of seven daughters, Lisa Horne had a wonderful childhood with loving parents. A devout Catholic since childhood days, Lisa was the valedictorian of her class at Immaculate Heart High School. She graduated from USC, studied abroad in Madrid, and was very active in Pi Beta Phi Sorority.

Lew and Lisa met at USC and were married upon Lisa’s graduation. They raised four children (Laura, Lewis, Christina and Kimberly). They lost their son Lewis at 15 years-old, and received an extraordinary outpouring of love and support from their community and church.

Lisa has always been extraordinarily engaged in her children’s activities, along with being a community and church activist.

In her school parish, Lisa taught the Parish Religious Education Program (CCD), headed a grief group, and created a Mother’s Rosary Group (still active after 15 years). She was the Chairman of the Parish Annual Fundraiser and School Raffle, served as a leader of Boy Scout and Girl Scout troops for many years, and was a FOCUS teacher (Formation of Character, Understanding, and Self-Esteem) for all grades. Lisa volunteered as an art teacher and room mother for many years, and served as the 8th grade yearbook chairman for various classes.

Lisa has been on academic boards, along with the Flintridge Sacred Heart Academy Building and Grounds Committee, and was the USC Kappa Kappa Gamma Parent Club President.

With a focus on community service to the sick and poor, Lisa has been active in the National Charity League, the Christ Child Society, Right to Life League, Catholic Big Brothers/Big Sisters and most recently became a provisional member of the Order of Malta. She is looking forward to being fully invested in the Order this coming May.
Christina Horne grew up in Pasadena, California as one of four children in a fabulous family. She attended Flintridge Sacred Heart Academy HS, pursuing her love of the arts. She starred in a number of musicals, performed in a competitive dance company, and spent 7 years with the prestigious Los Angeles Children’s Chorus; performing at Walt Disney Concert Hall and the Hollywood Bowl along with the Los Angeles Master Chorale. She received her school’s Performing Arts Award for exemplary work in Fine Arts.

Christina is equally passionate about charitable work, very active in the National Charity League and the Girl Scouts, and was a Girl Scout Gold Award recipient. She raised money for new prosthetics for children in Guatemala and traveled to meet the children. She received the ‘Saint Catherine of Siena Award’ at her high school graduation, given to a student with “compassion, courage, dedication and faith.”

Christina followed in her parents’ footsteps attending University of Southern California (USC), and graduated with an English Major and Double Minor in Marketing and Consumer Behavior. She studied abroad in Madrid and was very involved in her sorority, Kappa Kappa Gamma.

At 22, only months after starting her career at CBRE, she was diagnosed with multiple sclerosis. She has received extraordinary care at USC Keck Medical Center; and new medications and therapies (under the direction of Dr. Lilyana Amezcua and Dr. Daniel Pelletier) have created remarkable results. Christina feels multiple sclerosis has given her the opportunity to adjust her perspective and grow. In 2014 she traveled to Lourdes, France with the Knights and Dames of Malta – bathing in the healing waters.

Christina has always been very religious, and her faith has helped her accept the challenges life has thrown her way. “Although I never imagined my life would take this particular path, I am confident that I will be able to overcome the challenges I will be faced with in the future,” said Christina. “Don’t get me wrong, I am scared for what may be in store, but I have a tremendous amount of faith and I know we will find a cure.”

She is so appreciative of her family, friends and everyone who has helped support the Multiple Sclerosis Society.

IF I DARE TO DREAM
CHRISTINA’S THEME

In the road to happiness
Every now and then we’re blessed
By the way the winds of fortune blow
So I keep on going where I’ve never gone before
I’ve gotta hope the chances
May come knocking on my door
If I take the first step
I can take... one more

If I dare to dream
A future’s mine to see
Calling me from where I am
To where I want to be
In my heart of hearts
The truth was always there...
If I dare to dream

There’s no wall too high to scale
There’s no sea too rough to sail
Following the compass of my heart
Maybe there’s a calling that only I can hear
Even though I may not know
The way to there from here
But I won’t make happen what I fear...
To start

If I dare to dream
A future’s mine to see
Calling me from where I am
To where I want to be
In my heart of hearts
The truth was always there...
If I dare to dream

Music and Lyrics by Jimmy Dunne and Pamela Oland
