LEWIS C. HORNE

Dearest friends,

The success of the MS “Dinner of Champions” was beyond anyone’s imagination.

Under the endeavor, it was sold out with 850 guests – raising $1,350,000+.

Christina, Lisa and I – along with those with MS – are grateful for the abundant gifts of your time and treasures.

What an incredible testimony to the integrity and camaraderie of our family and friends in Southern California.

I am so appreciative of the tenacity, will and passions of the Dinner Committee – and to all of you who created a moment in time that will never, ever be forgotten.

I am so appreciative of the tenacity, will and passions of

Lew Horne
