

### Wisconsin has a High Prevalence Rate of Multiple Sclerosis

(Numbers indicate those who have self-identified as MS diagnosed to the National Multiple Sclerosis Society-Wisconsin Chapter as of March 1, 2016.)

Early and ongoing treatment with an FDA-approved therapy can make a difference for people with multiple sclerosis. Learn about your options by talking to your health care professional and contacting the National MS Society at [nationalMSSociety.org](http://nationalMSSociety.org) or 1-800-FIGHT-MS (344-4867).
