

2020 WOMEN ON THE MOVE LUNCHEON

Event Details:

Honoree: Teri Andresen
Honorary Chair: Sara Harris
May 12, 2020
Union League Club

The Women on the Move Luncheon is a premier event where Chicago area community and business leaders come together for an afternoon to celebrate excellence, achievement and generosity. The Luncheon's mission is to raise critical funds and awareness to help find a cure for multiple sclerosis. MS is at least two to three times more common in women than in men. Our honoree and honorary chair are recognized during this luncheon because of their leadership and strength in bringing awareness to multiple sclerosis and for their support in finding a cure to end MS forever.

Through events like the Women on the Move Luncheon, the National Multiple Sclerosis Society is able to continue its efforts in the fight against MS. We now know there are nearly 1 million people living with MS in the United States which is twice as many as the previously reported number. The Society addresses the challenges of each person affected by this disease by funding cutting-edge research, driving change through advocacy, collaborating with MS organizations around the world, and providing services designed to help people with MS and their families move their lives forward. Last year alone, the Society devoted over \$100 million to help more than one million individuals connect to the people, information and resources they need. To move closer to a world free of MS, the Society also invested \$34 million to support more than 320 new and ongoing research projects around the world.
