The National Multiple Sclerosis Society, Michigan Chapter

Congratulates the MS Leadership Class of 2011

The MS Leadership Class honors local business men and women for their outstanding contributions and leadership in the movement to create a world free of multiple sclerosis. Nominated by their peers, members of the Class of 2011 successfully completed a special gifts campaign that helped to raise awareness and over $18,000 for the National MS Society, Michigan Chapter.

We salute the MS Leadership Class of 2011 for their leadership and service to the community.

For additional information about the MS Leadership Class or about multiple sclerosis and the programs & services available through the Society, contact:
